

Dear Customer

This notice is intended to as a reminder to all consignors, consignees and operators of LLWR Approved IP-2 Containers.

Considering the recent weather forecasts predicting that temperatures could drop down to as low as -20°C over the next few weeks please note that the IP-2 containers listed below should not be moved or operated if the ambient temperature is below -10°C (minus 10 degrees centigrade) or, transported if the temperature is likely to fall below -10°C (minus 10 degrees centigrade) during transport. To do so would be in breach of the Certificate of Approval for Transport.
