

**Introduction**

LLW Repository Ltd would like to inform customers of the issue of new Certificates of Approval and Operating Instructions for some of LLW Repository Ltd's fleet of IP-2 ISO Containers.

**Revised Container Documentation**

The current Certificate of Approval for the following Containers will expire on 31<sup>st</sup> January 2011:

- TC01 – Half Height ISO Container
- TC03 – Third Height ISO Container
- TC04 – Three Quarter Height ISO Container
- TC06 – Two Third Height ISO Container
- TC07 – WAMAC Product ISO Container
- TC08 – WAMAC Product ISO Container
- TC09 – Half Height ISO Container

LLW Repository Ltd's Packaging and Transport Services Team has published new Certificates of Approval for the TC01, TC03, TC07, TC08 and TC09 that are valid for use from 1<sup>st</sup> February 2011. In addition, the Operating Instruction for the Type TC01, TC03 and TC09 ISO Containers (Reference: OM\_0102940\_MECH\_001) has been updated to Revision E to reflect operational improvements and will also be valid from the 1<sup>st</sup> February 2011.

The TC04 and TC06 designs are under review and will not be relicensed until further notice. If this causes any issues for Customers, please do get in touch.

The new Certificate of Approvals and the updated Packing and Handling Instructions for TC01, TC03 and TC09 are now available in the Container Documentation section of the Packaging Services page on our website. They can be accessed using the following link:

<http://www.llwrsite.com/customers/packaging-services>

Any Customers wishing to use any of these ISO Containers prior to the 1<sup>st</sup> February 2011, should continue to use the current Certificate of Approval which is still available on our website.

We would like to apologise to Customers for the late issue of these Certificates of Approval.

Please circulate this information to all relevant people within your organisation
