Exhibition Area

Supplier Exhibition

Low Level Waste 2009 will feature an exhibition of suppliers providing a wide range of services related to the management of low level waste. We hope that this provides an opportunity for customers to meet new and existing suppliers within the low level waste supply chain. The following companies will be exhibiting:

Abakus Scientific

Amec

Astech Projects

Brammer UK

Canberra UK

Direct Rail Services

Doosan Babcock

Gravatom Engineering

James Fisher

John Caunt Scientific

KDC Contractors

National Nuclear Laboratory

NSG Environmental

Nuvia

Studsvik UK

Tessella Support Services

UKAEA

VT Nuclear Services

Waste Management Technology

West Cumbria Business Cluster

There are a limited number of spaces still available in the Supplier Exhibition. If you would like to exhibit then please get in touch with Nu-Tech Associates, our event organiser:

- by e-mail: sales@nu-techassoc.co.uk
- by phone: 01946 695554

Good Practice Exhibition

In addition to our Supplier Exhibition, Low Level Waste 2009 will also feature a Good Practices Exhibition where our Customers will be sharing their waste management experiences.

Invites

Low Level Waste 2009 is primarily intended for our Customers and is an invitation only event. If you would like any additional information about Low Level Waste 2009 or feel you should be invited, then please contact the Event Organisers, Nu-Tech Associates:

- by e-mail: info@nu-techassoc.co.uk
