

NDA LLW Strategy Group Meeting #4

13-14 November 2008

Breakout Sessions (1 hr each)

Topic

- **Session 1:** *Strategic Priorities*
- **Session 2:** *Implementation of Strategic Opportunities*

Breakout Sessions

- Members & Participants are divided into 4 groups
 - NDA site SLCs
 - Non-NDA Sites
 - Regulators & Government
 - NDA Staff
- Choose a team leader & spokesperson for the group
- Plan your time accordingly
 - 1 hr. for team review & discussion
 - 10 min. for debrief to full Strategy Group (5 min. session 2)
- Flipcharts are available for Debriefs

Session 1 Breakout

13 November 2008

Session 1 Breakout

- Review & discuss the Strategic Options Diagram options – *Optimise the use of the planned UK LLW Disposal Capacity*
- Review the 54 opportunities and synergies identified in the Strategic Review
- Select your top opportunities from a National Strategy perspective
- Present your results in debriefs to the full National LLW Strategy Group

Session 1 Breakout Questions

- Do you agree that the Strategic Options Diagram option – ***Optimise the use of the planned UK LLW Disposal Capacity*** – is the appropriate path forward for National LLW Strategy?
- What are your top (5-8) opportunities and synergies from the Strategic Review from National strategy perspective?
- Are there additional opportunities not captured in the 54 initiatives or any that shouldn't be carried forward?

Last notes

- Members of the LLW strategy teams from LLWR and NDA will move between the groups to answer questions and advise as requested
- NDA will use outputs from the groups with the strategic review assessment to inform our thinking, factoring affordability, incentivisation and overall prioritisation for the strategy and forward plan
