

# Opening Remarks

*Michael Calloway*

*Nuclear Decommissioning Authority*

# Actions from previous meeting

*Matthew Clark*

*LLW Technical Support Manager*

*Nuclear Decommissioning Authority*

# Actions

Ref	Date	Task	Responsible	Deadline	Status
039	17 Nov 09	Provide feedback on resolution of the issue described, particularly around the practicalities of treating wastes with awkward fingerprints.	LLWR	3 Mar 10	Open
040	17 Nov 09	NDA sites to provide points of contact for the ACCELS programme, particularly a contact for the inventory improvements and one for cost inputs to the LTP.	NDA SLCs	27 Nov 09	Closed
041	17 Nov 09	Members provide input to this process, ideas for specific groups, views on need for accountability in this group, alternative structures?	All	3 Mar 10	Open
042	17 Nov 09	Members to provide comments on the guidance document on characterisation that has been published to the LLWR website (Andrew Laker to distribute link to this document)	All	3 Mar 10	Closed

# Actions

Ref	Date	Task	Responsible	Deadline	Status
043	17 Nov 09	Consider including the LLW Strategy Group membership in the consignor notification emails from LLWR.	LLWR	3 Mar 10	Closed
044	17 Nov 09	LLWR to consider using someone from Sellafield to test drive the final electronic project to standardise the waste avoidance and minimisation programme.	LLWR	3 Mar 10	?
045	17 Nov 09	Consider putting information on the NDA Assets Transfer database on EARWG database, noting that access is restricted to SLC computers.	LLWR	3 Mar 10	?
046	17 Nov 09	Send round link to “earth exchange” for reuse of (non radioactive / non contaminated) bulk materials.	MC	3 Mar 10	Open
047	17 Nov 09	Please members to provide feedback on the ideas for metrics that have been put forward and also on ideas for others to be included in the project.	All	3 Mar 10	Open

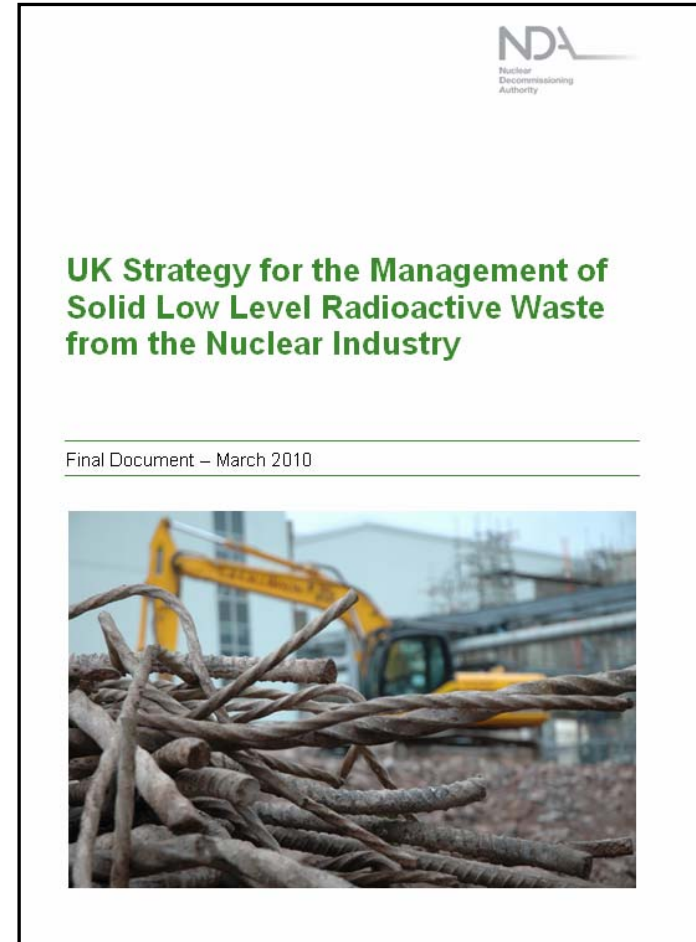

# UK Nuclear Industry LLW Strategy
